Ownership and Stewardship of the IROCB: a discussion

Criteria for Long-Term ownership

- Status as an international organic sector actor;
- Can own an international norm;
- Ability/likelihood to assign priority to IROCB stewardship;
- Institutional recognition/investment from national governments;
- Institutional recognition/investment from the private sector;
- Capacity to conduct an inclusive and balanced international multi-stakeholder revision process.

IFOAM

UNCTAD

	a. international organic actor	b. can own an international norm	c. assigning priority to IROCB	d. government recognition	e. private recognition	f. fully inclusive international stakeholder process

UNECE	0	?	0	xx	0	x
IFOAM	xxx	xxx	xxx	0	xxx	x
ISO	0	xxx	x	xx	xx	x
Other?						

Short Term Solution: Proposal

- The three convening organizations
 - delegate stewardship to IFOAM
 - Continue to explore long-term ownership
