How to register for the UNCTAD15 Civil Society Forum

The UNCTAD15 Civil Society Forum will take place online from 22–24 September 2021 in the format of plenary and breakout sessions as well as stage rooms. It is part of the official programme of UNCTAD's 15th quadrennial conference hosted by Barbados, scheduled for 3–7 October 2021 during which the forum will continue running in parallel during the conference.

From inequality and vulnerability to Prosperity for All

The forum is open to civil society organizations who want to exchange views and contribute to defining what recovery in a post COVID-19 world should look like and who it should serve. It will provide an opportunity for participating civil society organizations (CSOs) to discuss and formulate their views on the issues related to the conference agenda. The Civil Society Declaration will be delivered at the conference.

Prior to the forum and the conference, opportunities will be offered to civil society organizations to contribute to the preparatory process and comment on the pre-conference negotiating text.

Registration for the Civil Society Forum is mandatory.
